PROJ C4802: Social Media Project

		XX	University		
Module Title:			Social Media Project		
Language of Instruction:		n:	English		
Credits: 10		10			
		_			
NFQ Level:		8			
Module Del	ivered In		1 programme(s)		
Teaching & Learning Strategies:			Lectures - Communication of knowledge and ideas between lecture and student. • Problem Solving Exercises – students will individually and as part of a team to resolve various scenarios. • Class Discussion/ - Students will be encouraged to actively participate in the class sessions which will develop their analytical and communication skills. • E-Learning – learner participation and creativity.		
Module Aim:			The aim of this module is to acquire the necessary skills, knowledge and attributes to engage with and complete a social media project for a 'real' client. Social media has been recognised as a powerful tool for marginalized groups and social activism. Students are encouraged to work with community action groups for the project and to align their learning on issues of ethical practice, diversity and inclusion and media practice with the values, ambitions and intentions of the organisation they work with.
