Module Title:	Project 2
Language of Instruction:	English

Credits:	10

NFQ Level:	6

Module Delivered In	2 programme(s)

Teaching & Learning Strategies:	Students work in teams of four on a detailed specification for a common type of business. The specification is provided by the tutor. The team develops an application that resides on a server and accesses a shared database. The deliverables are a database design, user interface design and all necessary code.

Module Aim:	To provide the learner with the experience of working in a small team to produce a web application with database integration for a common type of business.

Learning Outcomes

On successful completion of this module the learner should be able to:

LO1	Engage, communicate and collaborate with other students as part of a small team.
LO2	Understand the importance of time-management skills when working to a deadline.
LO3	Appreciate the importance of advance planning as it relates to project management.
LO4	Produce fully-tested working code.
LO5	Produce high quality project documents to the required specification and format.
LO6	Present and discuss their work confidently in a demonstration setting.

Pre-requisite learning

Module Recommendations
This is prior learning (or a practical skill) that is recommended before enrolment in this module.

No recommendations listed

Incompatible Modules
These are modules which have learning outcomes that are too similar to the learning outcomes of this module.

No incompatible modules listed

Co-requisite Modules

8591	PROG	Web Programming and Databases 2

Requirements
This is prior learning (or a practical skill) that is mandatory before enrolment in this module is allowed.

No requirements listed

Module Content & Assessment

Indicative Content
Content Project draws on material presented in the Web Programming and Databases modules. There is no additional content.

Assessment Breakdown	%
Project	100.00%

No Continuous Assessment

Project				
Assessment Type	*Assessment Description*	*Outcome addressed*	*% of total*	*Assessment Date*
Project	Database Design	1,2,3,5	10.00	Week 3
Project	User Interface Design	1,2,3,5	20.00	Week 6
Project	Project Demonstrations by each member of team	1,2,3,4,5,6	70.00	Week 11

No Practical

No End of Module Formal Examination

SETU Carlow Campus reserves the right to alter the nature and timings of assessment

Module Workload

Workload: Full Time		
Workload Type	*Frequency*	*Average Weekly Learner Workload*
Project	12 Weeks per Stage	1.00
Project	12 Weeks per Stage	1.00
Project	12 Weeks per Stage	3.00
Independent Learning	15 Weeks per Stage	12.67
	Total Hours	250.00
