

Module Title:	German IV
Credits:	10
NFQ Level:	8
Module Delivered In	3 programme(s)
Teaching & Learning Strategies:	<p>Lectures - communication of knowledge and ideas from the lecturer to the student. Problem Solving Exercises - student will work as part of a team and will work together to resolve various legal scenarios. Class Discussion/Debate - Students will be encouraged to actively participate in the class sessions which will develop their analytical and communication skills. E-Learning - It is envisaged that the module will be supported with on-line learning materials. Self-Direct Independent Learning - the emphasis on independent learning will develop a strong and autonomous work and learning practices.</p>
Module Aim:	<p>This module aims to develop students' ability to make a general presentation in the language. Students will also be introduced to the job application process. The module further aims to develop the students' written expression in a professional context. The module also aims to introduce LSP (language for specific purpose) in the students' own fields of study, to provide students with vocabulary/expression relevant to their chosen specialist area. The students will be introduced to more advanced grammar structures and written expression. In addition, they will develop their oral expression skills through the final stage of the job application process: the interview.</p>
Learning Outcomes	
<i>On successful completion of this module the learner should be able to:</i>	
LO1	Make a presentation on some aspect of German society and culture and discuss and evaluate current events in Germany.
LO2	Draft and present their CV through the language, write a letter of application for a job or a programme of further study, familiarise themselves with the job application process including job advertisement analysis and develop his/her interview skills through mock job interviews in the language.
LO3	Organize a stand at a trade fair including dealing with visitors to the stand; product description and promotion, follow up contacts in writing and conclude agreements
LO4	Summarise in his/her own words selected pieces of written/spoken German.
LO5	Apply orally the complex vocabulary and grammatical structures introduced in written classes.
LO6	Compose, in written form a report in a specific context.
LO7	Formulate and apply hypothetical structures
LO8	Utilize a more extensive specialized vocabulary relevant to their particular area of study and present and defend orally a specialized topic in their area of study.
Pre-requisite learning	
Module Recommendations	
<i>This is prior learning (or a practical skill) that is recommended before enrolment in this module.</i>	
No recommendations listed	
Incompatible Modules	
<i>These are modules which have learning outcomes that are too similar to the learning outcomes of this module.</i>	
No incompatible modules listed	
Co-requisite Modules	
No Co-requisite modules listed	
Requirements	
<i>This is prior learning (or a practical skill) that is mandatory before enrolment in this module is allowed.</i>	
No requirements listed
