

Module Title:	Supervised Professional Practice 2
Language of Instruction:	English
Credits:	30
NFQ Level:	7
Module Delivered In	2 programme(s)
Teaching & Learning Strategies:	<p>T&L Strategies include • Workshop discussion- Communication of knowledge and ideas between the lecturer and learners • Problem Solving Exercises and Case Studies– Learners will work both individually and as part of a small group to resolve a variety of scenarios relating to early childhood practice. • Class Discussion/Debate - Learners will be encouraged to actively participate in the class sessions which will develop their analytical and communication skills. • E-Learning – It is envisaged that the module will be supported with on-line learning materials. • Self-Directed Independent Learning – the emphasis on independent learning will develop a strong and autonomous work and learning practices</p>
Module Aim:	<p>The aims of this module are to facilitate and support learners in their professional practice placement in an early childhood context. Learners will be encouraged to apply their accumulated programme learning to their professional practice placement experiences, and to examine how their professional practice placement experiences can inform their understanding of various theoretical perspectives. The module aims for learners continue to self-reflect and to develop personally and professionally with increasing confidence in evaluating their own and others' practice.</p>
