| Module Title: | French IV |
| Language of Instruction: | English |
| Credits: | 5 |
| NFQ Level: | 6 |
| Module Delivered In | 11 programme(s) |
| Teaching & Learning Strategies: | Lectures; problem solving exercises - student will work as part of a team and will work together to resolve various business scenarios through French. Class Discussion/Debate - Students will be encouraged to actively participate in the class sessions which will develop their analytical and communication skills. E-Learning - It is envisaged that the module will be supported with on-line learning materials. Self-Direct Independent Learning - the emphasis on independent learning will develop a strong and autonomous work and learning practices. |
| Module Aim: | The aim of this module is to build on language knowledge previously acquired in French I. The module also aims to assist the student in becoming a more independent user of the language. This emphasis of this module is the practical nature of the language and its implementation in everyday communicative situations. This module also aims to further develop students knowledge of business and commercial French through business vocabulary and other documentation. |
| Learning Outcomes | |
| <i>On successful completion of this module the learner should be able to:</i> | |
| LO1 | Extract the main points from and summarise a variety of basic texts. |
| LO2 | Conduct a basic work-based telephone conversation asking for and giving information. |
| LO3 | Begin to conduct basic commercial transactions through the language and translate business documentation. |
| Pre-requisite learning | |
