

Module Title:	French VII
Credits:	5
NFQ Level:	7
Module Delivered In	1 programme(s)
Teaching & Learning Strategies:	Lectures; problem-solving exercises - student will work as part of a team and will work together to resolve various business scenarios through French. Class Discussion/Debate - Students will be encouraged to actively participate in the class sessions which will develop their analytical and communication skills. E-Learning - It is envisaged that the module will be supported with on-line learning materials. Self-Directed Independent Learning - the emphasis on independent learning will develop a strong and autonomous work and learning practices.
Module Aim:	The aim of this module is to build on language within the workplace, as introduced in previous modules. Students will also improve their oral and written comprehension and fluency with presentations in both a general and professional context. Students will be introduced to a range of themes in international communication such as ordering, delivery, complaints and problem solving. Students will also improve their oral expression and comprehension in addition to their grammar usage.
Learning Outcomes	
<i>On successful completion of this module the learner should be able to:</i>	
LO1	Make a presentation on some aspect of French society and culture.
LO2	Draft and present their CV through the language and familiarize themselves with the job application process including job advertisement analysis; writing a letter of application.
LO3	Organize a stand at a trade fair including dealing with visitors to the stand; product description and promotion.
