

Module Title:	German III
Language of Instruction:	English
Credits:	5
NFQ Level:	6
Module Delivered In	11 programme(s)
Teaching & Learning Strategies:	Lectures - communication of knowledge and ideas from the lecturer to the student. Problem Solving Exercises - student will work as part of a team and will work together to complete language exercises. Class Discussion/Debate - Students will be encouraged to actively participate in oral language sessions which will develop their communication skills in the language. E-Learning - It is envisaged that the module will be supported with on-line learning materials. Self-Direct Independent Learning - the emphasis on independent learning will develop strong and autonomous work and learning practices.
Module Aim:	The aim of this module is to build on the language knowledge gained in the previous modules. The module will also help the student to develop an understanding of the main ideas in simple texts both in written and oral form. The purpose of the module is to assist the student in becoming a more independent user of the language.
