Module Title:	Work Placement
Language of Instruction:	English

Credits:	30

NFQ Level:	7

Module Delivered In	1 programme(s)

Teaching & Learning Strategies:	Members of the course board will operate as placement supervisors; A work programme will be agreed between the placement supervisor and industrial supervisor in consultation with the student; The placement supervisor will monitor the student's progress by maintaining close contact with the student and industrial supervisors; Students will be visited during the placement by placement supervisor(s). All students going on placement must abide by the Institute's latest placement policy.

Module Aim:	To provide the learner with the experience of working in a relevant industry and put into practice the knowledge and skills gained on the academic phase of the course

Learning Outcomes
On successful completion of this module the learner should be able to:

LO1	Function within a professional work environment.
LO2	Apply knowledge, skills and competencies acquired during the programme of study to the work place
LO3	Describe the organisation and operational practices of the host company and their role within it
LO4	Demonstrate development and application of interpersonal and self-management transferrable skills, such as communication, problem solving, teamwork, etc.

Pre-requisite learning

No incompatible modules listed
Co-requisite Modules
No Co-requisite modules listed
Requirements   *This is prior learning (or a practical skill) that is mandatory before enrolment in this module is allowed.*
No requirements listed

Module Content & Assessment

Indicative Content
Work Placement To prepare the students for work placement there will be a 1-hour tutorial session each week in the first term. Prospective supervisors from our industrial partners will give a presentation to the students on their company, their work, and what is expected of the students during placement. The industrial placement will last for six months. This module is assessed on a Pass/Fail basis

Assessment Breakdown	%
Project	100.00%

No Continuous Assessment

Project				
Assessment Type	Assessment Description	Outcome addressed	% of total	Assessment Date
Project	Student placement final report of host enterprise and the overall experience, e.g. company organisational structure, learning outcomes, etc. This report must be submitted upon completion of the placement module Students may also have to present Peer group presentation concerning their placement at the end of the placement period. Students will maintain a reflective diary and learning log during their placement period. This will be used to compile their final report and this must be signed and verified by the employer. A report from the employer regarding the student performance on placement will also be required.	1,2,3,4	100.00	n/a

No Practical

No End of Module Formal Examination

SETU Carlow Campus reserves the right to alter the nature and timings of assessment

Module Workload

Workload: Full Time		
Workload Type	*Frequency*	*Average Weekly Learner Workload*
Tutorial	12 Weeks per Stage	1.00
Lecture	Per Semester	29.52
	Total Hours	750.00
