

Module Title:	International Tourism and Destination Management
Language of Instruction:	English
Credits:	5
NFQ Level:	7
Module Delivered In	2 programme(s)
Teaching & Learning Strategies:	A variety of teaching and learning strategies will be used; lectures, discussion, case examples, video clips, and presentations. Collaboration will be encouraged through class group work. The module will be supported with online learning materials and students will be expected to engage in self-directed learning.
Module Aim:	To provide learners with an international perspective of tourism by analyzing the changing forces and identifying key trends. along with exploring the concept of tourism destination and gaining an insight into the challenges and opportunities of destination management and marketing.
Learning Outcomes	
<i>On successful completion of this module the learner should be able to:</i>	
LO1	Examine the role of key organisations which are influential in shaping international tourism policy
LO2	Analyse tourism data to enable informed decision-making including the identification of trends and evolving tourism concepts.
LO3	Explore the concept of destination management and develop a clear understanding of the role of destination management organisations (DMOs) in this process.
LO4	Investigate the role of Destination Managers in risk and crisis management in a fast moving and dynamic environment.
