

GERM H2315: German IV

Oniversity			
Module Title:		German IV	
Language of Instruction:		English	
Credits:	5		
NFQ Level:	6		
Module Delivered In		11 programme(s)	
Teaching & Learning Strategies:		Lectures - communication of knowledge and ideas from the lecturer to the student. Problem Solving Exercises - student will work as part of a team and will work together to complete language exercises. Class Discussion/Debate - Students will be encouraged to actively participate in oral language sessions which will develop their communication skills in the language. E-Learning - It is envisaged that the module will be supported with on-line learning materials. Self-Direct Independent Learning - the emphasis on independent learning will develop strong and autonomous work and learning practices.	
Module Aim:		The aim of this module is to build on the language knowledge gained in the previous modules. The module will also help the student to develop an understanding of the main ideas in simple texts both in written and oral form. The purpose of the module is to assist the student in becoming a more independent user of the language.	
Learning Outcomes			
On successful completion	On successful completion of this module the learner should be able to:		

On successful completion of this module the learner should be able to:			
Give more detailed information about themselves and others in present and past tenses and maintaining a longer conversation to discuss general everyday areas of interest such as German identity, work ethics etc.in the language.			
Comprehend the main points of a conversation or short spoken text and conduct certain everyday commercial transactions through the language			
Further build on the grammar skills acquired in the previous modules, have an understanding of the German Dative case and begin to operate the German 'Perfekt' tense
