	ments listed			

LANG H3302: Business **English Project**

Module Content & Assessment

Indicative Content

1. Business and Commercial Language Skills/Written & Oral Communication:

Business English: a study of the language and terminology used when studying and working within a business/commercial field in an English speaking environment. The main themes covered will include: conducting meetings and negotiations; agreeing and disagreeing; business transactions (ordering, delivery, quotes, payment, customer service); job applications/CVs; interview techniques.

2. Grammar/Use of English:

Grammar points will also be studied as they arise in class but will also include: simple, compound, and complex sentences; question tags; structure phrases and clauses; phrasal verbs; the passive voice; introduction to complex tenses.

3. Specialised Business Language:

Business vocabulary; business idioms; collocations; expressions; analysing newspaper articles, specialised texts, charts and graphs; summarising texts and abstracting main points; writing transactional letters; article and report writing.

4. Oral/aural English Skills:

Role plays; advertisement analysis; debating and negotiating; presentation skills; listening skills.

5. Comparative Business Project:

A written project of approx. 4,000 - 5,000 words minimum to be completed by the student during his/her own time. The project will be a comparative study of an English-speaking company and one from the student's native country. Students will independently carry out primary and secondary research. The project will be written in English and will be presented in both oral and written form. Those staying for one semester must complete a written project of between 2,000 – 2,500 words.
