

ENTR H4306: Enterprise

Module Title:		Enterprise	
Language of Instruction:		English	
Credits: 10			
NFQ Level: 8			
Module Delivered In		No Programmes	
Teaching & Learning Strategies:		Lectures - communication of knowledge and ideas from the lecturer to the student. Problem Solving Exercises - students may work as part of a team and will work together to resolve various enterprise scenarios. Class Discussion/Debate - Students will be encouraged to actively participate in the class sessions which will develop their analytical and communication skills. E-Learning - It is envisaged that the module will be supported with on-line learning materials. Self-Direct Independent Learning - the emphasis on independent learning will develop strong and autonomous work and learning practices.	
Module Aim:		The aim of this module is to equip students with the ability to assess the nature of enterprise, its importance to the economy and the need for industrial policy to create the necessary environment and support infrastructure for entrepreneurial activity. It emphasises the critical role of the creative & innovation processes within enterprise. The module also aims to enable the student to assess the entrepreneurial personality and to explain the main legal and financial issues relevant to small business. The module will also assess the use of idea generation tools and innovation in the corporate setting.	

Learning Ou	utcomes
On successf	ful completion of this module the learner should be able to:
LO1	Critically appraise the importance of new business ventures to a modern economy and explain the conditions necessary for successful new venture creation and growth.
LO2	Evaluate the characteristics and traits of a successful entrepreneur.
LO3	Explain the creative and innovation processes in small business and corporate environments.
LO4	Identify and explain the main issues affecting small business and synthesise solutions for small business problems.
LO5	Explain the development of the business opportunity and growth of the small firm.
