

Module Title:	Agricultural Marketing I
Language of Instruction:	English
Credits:	5
NFQ Level:	6
Module Delivered In	6 programme(s)
Teaching & Learning Strategies:	The classes will deliver relevant theory supported by relevant examples. Learners will review current happenings from Irish and international businesses/agribusinesses as part of their programme work. Further learners will be asked to apply marketing theory to real agribusiness scenarios through the use of case-study and practical assignments
Module Aim:	This module is aimed at introducing a learner to the principles of marketing with a focus on their application to the agribusiness sector.
Learning Outcomes	
<i>On successful completion of this module the learner should be able to:</i>	
LO1	Define and explain the basic concepts of marketing and how they apply in relation to agribusinesses.
LO2	Analyse the marketing environment and consumer behaviour with specific reference to the agribusiness sector
LO3	Identify the various stages in the market research process
LO4	Outline and recommend segmentation, targeting and positioning strategies for agribusinesses
Pre-requisite learning	
Module Recommendations <i>This is prior learning (or a practical skill) that is recommended before enrolment in this module.</i>	
No recommendations listed	
Incompatible Modules <i>These are modules which have learning outcomes that are too similar to the learning outcomes of this module.</i>	
No incompatible modules listed	
Co-requisite Modules	
No Co-requisite modules listed	
Requirements <i>This is prior learning (or a practical skill) that is mandatory before enrolment in this module is allowed.</i>	
No requirements listed
