Module Title:	French IV

Credits:	10

NFQ Level:	8

Module Delivered In	3 programme(s)

Teaching & Learning Strategies:	Lectures; problem-solving exercises - student will work as part of a team and will work together to resolve various business scenarios through French. Class Discussion/Debate - Students will be encouraged to actively participate in the class sessions which will develop their analytical and communication skills. E-Learning - It is envisaged that the module will be supported with on-line learning materials. Self-Directed Independent Learning - the emphasis on independent learning will develop a strong and autonomous work and learning practices.

Module Aim:	The module aims to develop the students' written and oral expression in a professional context. This module aims to introduce LSP (language for specific purpose) in the students' own fields of study. It aims to provide students with vocabulary/expression relevant to their chosen specialist area. The students will be introduced to more advanced grammar structures and written expression.

Learning Outcomes	
On successful completion of this module the learner should be able to:	
LO1	Analyse a job advertisement and accurately write a letter of application.
LO2	Summarise in his/her own words selected pieces of written/spoken French.
LO3	Demonstrate his/her interview skills through mock job interviews in the language.
LO4	Present and defend orally a specialized topic in their area of study.
LO5	Utilise a more extensive specialized vocabulary relevant to their particular area of study.
LO6	Display an accomplished understanding of French grammatical structures.
