

SELL H3328: Professional Selling

Module Title: Pro				
	Professional Selling			
Language of Instruction: En	English			
Credits: 5				
NFQ Level: 7				
Module Delivered In 3 p	programme(s)			
Strategies: be op do:	The emphasis in this module is on "action leaning". Class discussion and relevant case study material will be used to support the learners application of the the theory. Each learner will be provided with an opportunity to act out the role of a sales representative. This involves researching and preparing a sales dossier on a specific product line and a role play to sell it to a prospective customer. Learners are expected to apply the "selling process" and be equipped with a thorough knowledge of the buyer behaviour process, competitors and the company's product/services.			
pro	In this module learners explore the role and functions of the salesperson in a digital era, stages in the selling process will be fully explored. On and offline organisational buying behaviour is examined and learners will also look at B2B relationship building.			
Learning Outcomes				
On successful completion of this n	module the learner should be able to:			
LO1 Assess how an in de	lepth knowledge of the organizational buying behaviour/journey is critical to successful selling.			
LO2 Demonstrate and Pr	nonstrate and Present an understanding of the professional Sales process in a Digital era.			
	Exercise appropriate judgement in the research, development and implementation of ethical and creative sales solutions to complex sales management scenarios.
