## **BUSS H2701: Event Planning**

## **Module Content & Assessment**

### Indicative Content

#### Conceptualize and design an event.

Event Concept, purpose, objectives, scope, theme and format. Research current event trends and practices. Event feasibility. Event Design. Venues, sites. Event Staging. Service providers. Logistics. Performance Management. People Management.

### Develop an Event Management Plan.

Event Team, Role and Responsibilities. Event venue design & logistics. Event activities; events/presenters/entertainers. Event Data Recording; registration/sign-in, visitor numbers, finance, incident reporting.

#### Managing a live event.

Concept to operational events. Managing events including operations, health and safety, security, catering, communications and media. Manage the event team. Project Management. Event Software and IT.

#### Analysis of Event

Join an existing event team to gain learning opportunities around event planning, management and work practices. Students will investigate an existing event October/November e.g. WexSci, Wexford Opera Festival, Wexford Speigeltent to develop experience in event management. Students will conduct surveys and should engage with the event itself through volunteering or participating in on site event talks.

Assessment Breakdown	%
