

Module Title:	Services Marketing
Language of Instruction:	English
Credits:	10
NFQ Level:	8
Module Delivered In	2 programme(s)
Teaching & Learning Strategies:	A variety of teaching and learning strategies will be used such as lectures, presentations, case studies and guest lectures. Class and group interaction will also serve to help develop students' comprehension and communication skills.
Module Aim:	The aim of this module is to examine the status of marketing in services and to put in place the required adaptations for marketing strategy formulation.
Learning Outcomes	
<i>On successful completion of this module the learner should be able to:</i>	
LO1	Demonstrate a critical appreciation of the challenges posed by the unique characteristics of services and the resulting marketing implications of each.
LO2	Analyse typical marketing and management problems encountered in the service sector and be able to structure appropriate responses.
LO3	Employ appropriate strategies to meet the challenges encountered in the services sector based on a comprehensive knowledge of the theory and practice of services marketing.
LO4	Evaluate applications of theoretical and practical knowledge of services marketing to a variety of case studies.
Pre-requisite learning	
Module Recommendations
