<b>Language of Instruction:</b>	English
<b>Credits:</b>	5
<b>NFQ Level:</b>	7
<b>Module Delivered In</b>	No Programmes
<b>Teaching &amp; Learning Strategies:</b>	Formal lectures will be supplemented by discussion and group work, based on simulated sports scenarios and case studies. The module will be supported by on-line learning materials with an emphasis on self-directed independent learning.
<b>Module Aim:</b>	The key aim of the module is to develop in learners an understanding of the organisational and legal frameworks, domestic and international, for the conduct of and participation in lawful sport. Learners will also be provided with the analytical tools necessary for determining the ethical implications of decisions made in a sporting context.
<b>Learning Outcomes</b>	
<i>On successful completion of this module the learner should be able to:</i>	
LO1	Identify, differentiate and debate the organisational structures and appraise domestic and international governance issues for affiliated sporting bodies.
LO2	Compare and contrast dispute resolution methods for sporting bodies and participants in sport.
LO3	Outline and summarise the contemporary legal issues for sporting bodies and participants in sport in Ireland and internationally.
LO4	Critically analyse and participate in a group activity/project on the manner in which participants in sport may respond to ethical issues in a sporting context and the factors which influence such responses.
