

<b>Module Title:</b>	Work Placement
<b>Language of Instruction:</b>	English
<b>Credits:</b>	15
<b>NFQ Level:</b>	7
<b>Module Delivered In</b>	No Programmes
<b>Teaching &amp; Learning Strategies:</b>	Placement Monitoring: Members of each Institute's programme board will operate as placement supervisors. The placement supervisor will monitor the student's progress by maintaining close contact with the student and industrial supervisors. Students will be visited during the placement by placement supervisor(s). All students going on placement must abide by the Institute's latest placement policy.
<b>Module Aim:</b>	To provide the learner with the experience of working in a relevant industry.
<b>Learning Outcomes</b>	
<i>On successful completion of this module the learner should be able to:</i>	
LO1	Function within a professional work environment;
LO2	Apply knowledge, skills and competencies acquired during the programme of study to the work place
LO3	Describe the organisation of the host company and his/her role within it;
LO4	Describe the operational practices within the host company
<b>Pre-requisite learning</b>	
<b>Module Recommendations</b> <i>This is prior learning (or a practical skill) that is recommended before enrolment in this module.</i>	
No recommendations listed	
<b>Incompatible Modules</b> <i>These are modules which have learning outcomes that are too similar to the learning outcomes of this module.</i>	
No incompatible modules listed	
<b>Co-requisite Modules</b>	
No Co-requisite modules listed	
<b>Requirements</b> <i>This is prior learning (or a practical skill) that is mandatory before enrolment in this module is allowed.</i>	
No requirements listed	

## Module Content & Assessment

### Indicative Content

#### Overview

To prepare the students for work placement there will be a 1-hour tutorial session each week leading up to placement time. Prospective supervisors from our industrial partners will give a presentation to the students on their company, their work, and what is expected of the students during placement. The industrial placement will normally start in March, and will last for six months.

### Assessment Breakdown

	%
Project	100.00%

### Special Regulation

All students going on placement must abide by the Institute's latest placement policy.

No Continuous Assessment

### Project

Assessment Type	Assessment Description	Outcome addressed	% of total	Assessment Date
Project	Student placement report of host enterprise, e.g. company organisational structure, learning outcomes, etc. Student may also have to participate in Peer group presentation concerning their placement. A report from the employer regarding the student performance on placement along with a student diary & work logs verified by Employer will also be required for submission.	1,2,3,4	100.00	n/a
