Module Content & Assessment

Indicative Content

Work Placement

To prepare the students for work placement there will be a 1-hour tutorial session each week in the first term. Prospective supervisors from our industrial partners will give a presentation to the students on their company, their work, and what is expected of the students during placement. The industrial placement will last for six months. This module is assessed on a Pass/Fail basis

Assessment Breakdown	%	
Project	100.00%	

No Continuous Assessment

Project							
Assessment Type	Assessment Description	Outcome addressed	% of total	Assessment Date			
Project	Student placement final report of host enterprise and the overall experience, e.g. company organisational structure, learning outcomes, etc. This report must be submitted upon completion of the placement module except when the programme board have agreed otherwise. Students may also have to present Peer group presentation concerning their placement at the end of the placement period. Students will maintain a reflective learning log during their placement period. This will be used to compile their final report. A report from the employer regarding the student performance on placement will also be required.	1,2,3,4	100.00	n/a
