Language of Instruction:	English
Credits:	10
NFQ Level:	8
Module Delivered In	1 programme(s)
Teaching & Learning Strategies:	Placement Monitoring: Members of the programme board will operate as placement co-ordinator. Students will source the work placement with the assistance of the placement co-ordinator. The placement co-ordinator will monitor the student's progress by maintaining close contact with the student and the host company supervisor. Students will be visited during the placement by the placement co-ordinator. The students will undergo workplace preparation and reflective seminars prior to commencement of their work placement.
Module Aim:	The aim of the Work Placement module is to introduce the learner to structured employment in a relevant work sector and to develop in the learner an understanding of the organisation, its procedures and technology. The module has been designed to enable students of the Institute acquire professional business and networking experience early in their careers. It will afford the learner an opportunity to develop independence and confidence through reflective learning.
